

MEMO

There is NO SMOKING POLICY for any location, disposal, or in your truck. Non-adherence to this policy will not be tolerated and will result in immediate termination!

Ground cables are also a mandatory requirement for every truck. If you do not have them, Deer Valley will supply and install them and you will be billed accordingly.

You must also have a fire extinguisher in your truck at all times! Deer Valley will be inspecting trucks randomly to make certain this D.O.T. requirement is kept by all Deer Valley trucks and leasers.
